149.01/26 Any items to be noted

Cllr Collins suggested that we need to be more diligent on looking at the circulated schedule.

Clerk gave an update on the Town and Parish Council Forum meeting she attended where she had raised the question with South Gloucestershire Planning: "If for example a Parish has been allocated 200 houses in the local plan, however, whilst the plan is being considered and approved, another application comes in for 100 houses, does this mean that the 200 in the local plan will be reduced to 100. We would assume that the local plan allocation has considered what a parish can 'cope' with.

The officer view was "Developments coming forward on allocated sites or as windfalls (built out within the plan period) will count towards the Plan's targets Speculative proposals will be additional, if granted or allowed Planning balance makes this more likely to be the case whilst we have a 5yhl shortfall (as we currently do) and there are insufficient reasons (evidenced adverse impacts) to outweigh this benefit"

In plain English this means the answer to the question is no, the allocated amount will not be reduced.

Members felt that this is unreasonable and that a response should be sent. **Clerk and Cllr Collins to devis a suitable response and send to South Gloucestershire Council.**

Meeting concluded: 6.55pm
